This is in response to the Office Letter mailed on October 16, 2006, and entitled, "Notice of Drawing Inconsistency with Specification," a copy of which is attached. The notice alleges that Figure 1A identified in the specification is not included in the drawings.

Attached is a copy of sheet 16 of the drawings, which includes Figure 1A. That drawing sheet formed part of the Amendment filed herein and dated May 27, 2003, which was received by the Office on May 30, 2003. That Amendment was entered and the drawings that were included with that Amendment were accepted by the examiner in the Office Action dated July 9, 2003 (see the Office Action Summary, Item 10).

If the originally-submitted amended sheet 16 of the drawings is not found in the Office's file, it is respectfully requested that the enclosed sheet be accepted as a substitute for that missing sheet and that it be entered in the file.

Telephone the undersigned attorney if this response raises any questions, so that any such question can be quickly resolved.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Alfred J. Mangels', with a long horizontal line extending to the right.
